

All the classic **AMERICAN ROCK** sound in a cost-effective 500 series module.

An **ALL-ROUNDER PREAMP** that perfectly accommodates any type of mic without need of external gain boosters at an **UNBEATABLE PRICE.**

-  Super fast transients!
-  In-your-face NY style preamp that has proven legendary for drums and guitars.
-  Unique Ribbon & SM7 built-in lifter that pushes the gain +25 dB and accomodates the signal for gain hungry mics.
-  A never-before seen dynamic range for a 500 series module.
-  Ultra-low noise floor. EIN -130 dBu.
